

## Ciso Leadership: Cyber Security Top Cop (Paperback)

By Del Alfred

D Alfred, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As cyber security becomes the mainstay of businesses worldwide, it is imperative that leaders start developing the attitudes and the business acumen needed to manage risks and enable the business. This book provides a basic roadmap for information security leaders and those who aspire to be leaders on leading practices that are vital to the success of any organization that care about the security and privacy of their data and systems. This book provides leadership tenets that can be developed for Chief Information Security officers and those who aspire to be CISOs and also provides some basic guidelines on information security practices that help manage risk; from incident response and incident management to vulnerability management, security awareness and training, future trends in technology and security such as BYOD (bring you own device), cloud computing security, advanced persistent threats and many other information security leading practices and how to effectively manage and structure organizations for success against cyber attacks.
