The name of the society is the American Woman s Educational Association. Art. 2. The object of this Association is to aid in securing to American Women a liberal education, honorable position, and remunerate employment in their appropriate profession; the distinctive profession of women being considered as embracing the training of the human mind, the care of the human body in infancy and in sickness, and the conservation of the family state. Art. 3. The leading measure to be pursued by this Association is the establishment of permanent, endowed institutions, for women; embracing the leading features of college and professional institutions for the other sex, i. e., they shall be conducted by a Faculty of Teachers, each being the head of a given department, and no one having control over the others. An office corresponding to that of the President of a college, shall be optional with those who control each institution. Art. 4.
