Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered why, in the realm of religion, we are often asked to believe things that just don't seem scientifically possible, or that distance us from society, nature, and other individuals-rather than bringing us closer together? Do you wonder how religion-which is supposed to be a force for healing-can so often support the intolerance, hatred, and injustice plaguing the world? Has this caused you to turn your back on a religious tradition you grew up with, but for which you still have respect or some sense of kinship? Have you ever felt intuitively that it's not always the religious teachings causing these problems but, rather, the people interpreting and delivering them? If you answered yes to any of these questions, then this book is for you. Distilling down one of the most groundbreaking and important religious texts of the past century into accessible language, I'll go inside the main ideas of the philosopher-theologian who revolutionized our understanding of religion, Dr. Paul Tillich. Applying the classical virtues of reason, tolerance, and courage, Tillich will show us an interpretation of religion-in particular, Christianity-without the supernatural and literalistic distortions that make it so difficult for millions of reasonable people to accept; he'll penetrate the nature of reality and our own self-understanding through the lenses of psychology, philosophy, biblical scholarship, science, and Eastern wisdom; he'll assess the profound effects of technology and industrialization on the human spirit and nature; and he'll confront us with the vital fact that science and religion should never be in conflict. Through all this, we'll see why he was hailed during his lifetime as an...
