Oxford University Press, United Kingdom, 2015. Paperback. Book Condition: New. 264 x 195 mm. Language: English . Brand New Book. Retaining well-loved features from the previous editions, Religious Conflict and the Church in England is approved by AQA and matched to the new 2015 specification. This textbook covers AS and A Level content together and explores in depth a period of major change in the English Church and government, and the issues which led England to break with Rome. It focuses on key concepts such as humanism, Protestantism and the relationship between Church and state, and covers events and developments with precision. Students can further develop vital skills such as historical interpretations and source analyses via specially selected sources and extracts. Practice questions and study tips provide additional support to help familiarize students with the new exam style questions, and help them achieve their best in the exam.
