On the Philosophy of the Mind (Classic Reprint) (Paperback)

By James Douglas

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from On the Philosophy of the Mind The Philosophy of the Mind is of recent origin, and of slow growth. Its genuine materials are therefore very scanty. Most works upon the mind are chiefly occupied in refuting former errors, and these errors being derived from ancient theories, the true Philosophy of the Mind, though conducted on very different principles, still continues to be involved in some degree in the disputes of Metaphysics. A brief notice of the history of Speculative Opinions is therefore useful, both as indicating the sources of several errors which still prevail, and as accounting for the slight and partial attention which the genuine study of the subject has yet received. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

Undoubtedly, this is actually the greatest job by any author. This can be for those who stante there was not a worthy of studying. I am delighted to inform you that this is actually the greatest publication i actually have read within my very own daily life and could be he greatest book for ever.

-- **Perry Reinger**

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be he best ebook for possibly.

-- **Blair Monahan**
