\*\*\*\*\*.Climbing and mountaineering have produced wonderful writing over the years. Not to put too fine a point on it, but there is nothing like facing death to prepare one to write about life. The adrenaline-infused struggle of climbing the big walls or the world s greatest peaks does much to energize this great volume of literature, of course. But there are other reasons for its front-to-back interest. Climbing, like writing, is an individual pursuit demanding eloquence, discipline, strength, perseverance, a taste for irony perhaps, and an often poetic introspection. Sometimes even a sense of humor. Climber s Choice takes the time-honored tradition of collected writings to a new and inviting level: Select more than 20 of the world s best climbing writers, many of whom are among the world s best climbers and mountaineers, and ask them to submit their best short writing. No other anthology will have as many authors who have accomplished as much on the world s most forbidding mountains and rock faces or in the literature of the sport. Equally...
