Hey! All Kids Are Smart (Paperback)

By Christy Frazier

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Children are smarter than they realize! What do you do when your child tells you that he or she isn't smart? You can give the standard answer, "Of course you're smart" then proceed to give examples. But is it enough? What if you could actually prove to your child how smart he or she is? This must-read book will help you and your child discover where their areas of smart are. Once they have discovered this, their world will open up with many new and empowering possibilities. The adventures inside include: * What the eight areas of smart are. * A simple interest survey to identify their areas of strength. * A guide for those with Special Needs children. * How to inspire your child. * A plan of action. * Activities to do in each area of smart. * A list of heroes for your child to identify with, including astronauts, artists, scientists, athletes, writers, chefs, performers, politicians, etc. * Possible careers have been added to each area of smart. It's never too early...
