In fact, I soon found that the material along this line consisted principally of papers scattered through reports of the various horticultural societies and in the agricultural Dress, and that these were not generally available, nor, indeed, sufficiently condensed for my purpose. The peculiar conditions that obtain in this section of the country, and which render the works of Eastern authorities of little practical value here, made it desirable for me to have some practical book on fruit growing that the students could study and refer to at their convenience. Another reason for presenting this book is that by so doing I might answer the many questions relating to...
