September 11, 2001 saw the deadliest attack ever launched on American soil, leaving us asking questions such as: Why did God permit such a thing to happen? Was the attack a divine judgment or was it merely an atrocity perpetrated by the forces of evil? How can human beings be capable of such diabolical savagery in the name of religion? And what is the right course of action for our government to take? John MacArthur points us to the Bible for answers to these and many other questions arising out the recent atrocities. He educates readers to the roots of the conflict, linking the religious and political issues that underlie the current turmoil to the Old Testament.
