LONG DAYS LAST DAYS: A DOWN-TO-EARTH GUIDE FOR THOSE AT THE BEDSIDE (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Called to the bedside of someone critically or chronically ill, what should you bring, what can you do, what must you know, what will you say? Likely you've already sat with a grandparent, parent, brother, sister, lover, or friend in a hospital or nursing home and found yourself disturbed by certain medical protocols, mystified by lab reports, frustrated by insurance forms, benumbed by pharmacocracy, thinking taboo thoughts about life or loss, and yourself on the verge of falling sick. LONG DAYS, LAST DAYS is for all of us who sooner or later will be sitting for hours with someone we love, senses heightened in the moment but all the while trying to imagine what lies ahead. Arranged alphabetically, this guide offers astute, practical, single-page entries on 200 topics including Advocacy, Checklists, Directives, Gatekeeping, Hospice, Intensive Care, Laughter, Medicine Cabinets, Mutual Peril, Overnight Bags, Pain relief, Sadness, Sex, Waiting, Wills, Young People, and Zero Visibility. You can learn to distinguish Acuteness from Emergency from Urgency, what to do with Blankets and Pillows, where to seek Help, how to hire caregivers, and what questions to ask Agencies, Nurses, Physicians, Social Workers. You may be curious as to why Keys, Nails, Teeth, and Tubes take on such significance. And you may be anxious to know how best, meanwhile, to attend to your own needs. As a case manager, Hillel Schwartz has worked with clients, families, and friends confronting brain injury, breast cancer, lung cancer, prostate cancer, non-Hodgkin lymphoma, heart disease, kidney failure, paralysis, stroke, and Waldenstrom's macroglobulinemia, as well as with households coping with dialysis, colostomies, paraplegia, memory loss. As an historian of medicine and technology, he can put...
