Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Elementary Statics To the Canadian Edition has been added an appendix by Thomas Kirklands, M.A., Science-Master, Normal School, Toronto. This appendix contains (1) a few general hints for solving statical problems; (2) a collection of typical problems worked out, shewing the application of statical principles, and especially the application of elementary trigonometry to the solution of questions in statics; (3) a collection of Examination Papers, principally select from the questions set at the examinations in the University of Toronto, during the past twenty years. The whole, it is hoped, will be found valuable to students preparing for University Examinations, and to teachers preparing for first-class certificates. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
