

Sports Medicine: Study Guide and Review for Boards

By Mark A. Harrast, John T. Finnoff

Demos Medical Publishing. Paperback. Book Condition: new. BRAND NEW, Sports Medicine: Study Guide and Review for Boards, Mark A. Harrast, John T. Finnoff, "Sports Medicine: Study Guide and Review for Boards" is a comprehensive review text surveying the breadth of nonsurgical sports medicine. The book covers topics pertinent to (and found on) the Sports Medicine Board Examination enabling readers to use this as a primary study tool in preparation for the exam. All of the subject areas on the board are represented including: basic science and general procedures, health promotion/preventive aspects, emergency assessment and care, and diagnosis, management, and treatment of sports-related injuries and conditions (musculoskeletal by region/medical, neurologic, and psychiatric/special populations). The editors have used the exam content outline as a blueprint for organizing the book so the space allotted to each chapter reflects the corresponding emphasis of the topic on the exam. Additionally "Sports Medicine" is a valuable text that residents, fellows, trainees, and clinicians in any discipline can use to supplement their training in non-operative sports medicine. It provides in concise format the high-yield facts they need in their study of the clinical practice of sports medicine. It is written in outline format for ease of use....
