SUPPLEMENT OF NEW SAINTS AND BLESSEDS (HARDBACK)

LITURGICAL PR, United Kingdom, 2005. Hardback. Book Condition: New. Supplement. 241 x 163 mm. Language: English . Brand New Book. The long pontificate of Pope John Paul II has produced an unprecedented flurry of beatifications and canonizations. The twentieth century in particular has been noted as the century of martyrs, many of which are featured prominently in this new full edition, a continuation of the tradition of one of the most well-known and relied-upon reference works of all time. The Supplement of New Saints and Blesseds covers canonizations and beatifications enacted from late 1999 to the end of 2003 in chronological order. Blesseds appearing in previous volumes who have since been canonized have had their information updated and expanded. How to live a Christian life of faith is a question every generation has sought to answer. Invariably, they have turned to the lives of the saints. The candidates included in this volume are worthy and offer challenge and inspiration to us all.
